

Dear Hiring Manager,

I am excited to apply for the Project Manager position at your esteemed organization, and I have attached my resume for your review.

With 18 years of experience in telecommunication and networking, and a unique blend of technical expertise and project management skills, I am confident in my ability to manage projects efficiently from initiation and deliver results timely and within-budget.

My extensive background includes successfully delivering numerous projects, encompassing the entire project lifecycle, from installation and integration to operation, testing, maintenance, commissioning, and delivery.

As a Technical Project Manager with 10 years of experience at Precision Electronics Limited, I have built a strong foundation in managing telecommunication and networking projects, leveraging my expertise to drive business growth and improvement, honing my skills in project delivery, operation, risk management, schedule & budget management, team management, and stakeholder management.

I am drawn to your company's innovative approach and commitment to excellence, and I am excited about the opportunity to contribute there.

Thank you for considering my application. I look forward to discussing my qualifications further and exploring how I can contribute to your organization's continued success.

Yours faithfully,

Prasenjit Boral
